How your money is managed

BFI-Activ (EUR) invests globally in bonds and shares. The portfolio combines the earnings continuity of fixed-income securities with the yield potential of shares.
With a maximum share allocation 40%, the fund is oriented towards moderate capital growth.
Investment fund currency: euro

BFI: a comparison

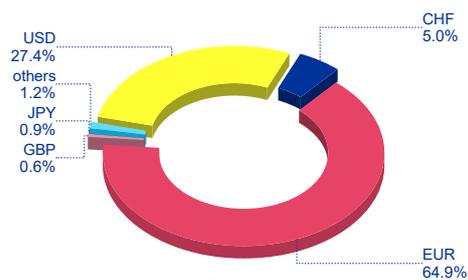

BFI compares its funds with investment funds featuring a similar investment strategy (peer group). We use the classification employed by Lipper, a Reuters Company. This is an impartial agency that compares different investment funds.

Important legal advisory

This advertising document is intended exclusively for informational purposes, and constitutes neither an offer nor a solicitation to purchase or sell fund shares, nor does it represent a solicitation to submit an offer to contract securities-related or other services. This document cannot serve as a replacement for individual advice. The respective updated prospectuses and annual/half-year reports form the sole binding basis for the purchase of fund shares. No liability can be accepted for the accuracy, completeness or topicality of the information provided in this document. Baloise Fund Invest (Lux) is a fund organised under Luxembourg law. Full prospectus, the key investor information document (KIID), fund bylaws and annual/half-year reports may be obtained free of charge from the fund's representative in Switzerland, Acolin Fund Services AG, Leutschenbachstrasse 50, CH-8050 Zürich, or from the paying and information agent for the respective country of distribution.

Past performance, simulations and projections are not reliable indicators of future performance. The historical performance data provided does not factor in any costs accruing through the purchase or redemption of shares. Commissions and fees negatively impact performance. All investments involve risks, particularly of fluctuations in value and return. If the currency of the financial product does not correspond with your reference currency, returns may be increased or decreased by exchange rate movements. The information provided in this document does not factor in specific or future investment objectives, the investor's tax or financial situation or the recipient's individual needs.

Shares in this fund may not be offered, sold or supplied in the USA or to US taxpayers residing outside the USA.
